

**LEARN THE ART OF VENIPUNCTURE WHILE RECEIVING A
PROVINCIALY RECOGNIZED CERTIFICATION WITH ONLY
A ONE-DAY (ON SITE) TIME COMMITMENT!**

REGISTER TODAY FOR THE MARCH SESSION

**EARN AN ENHANCED PRACTICE
CERTIFICATE IN INTRAVENOUS
CONTRAST INJECTION**

Intravenous Contrast Injection for Medical Radiation Technologists and Related Allied Health Professionals is a two-part course which combines didactic and practical components.

The didactic portion of the course is delivered entirely online. You will study how contrast mediums (radiographic and MR) are prepared, administered and maintained. Pharmacology, adverse reactions, equipment and venous anatomy are also discussed.

The practical component is delivered in a live, one-day workshop format. You will have the opportunity to learn about and practice venipuncture on simulated and real arms.

Upon successful completion of the didactic and practical components, you will be awarded an ENHANCED PRACTICE CERTIFICATE.

*Registrations are now being accepted
